COVID-19 COVENANT

PLEASE READ CAREFULLY

Because of the risks associated with Covid-19, Honey Creek and the Episcopal Diocese of Georgia will require each guest to comply with this Guest Covenant. THIS COVENANT APPLIES EVEN IF YOU HAVE ALREADY BEEN FULLY VACCINATED. Please read and acknowledge this covenant with your signature below.

If the CDC or Georgia requirements change, I understand that this covenant may be revised for Honey Creek to comply with those requirements.

The health and safety of both guests and Honey Creek staff is top priority. I understand that all members of my party must be symptom-free from any illness for at least 14 days prior to arrival: signing this covenant so indicates my affirmation of that health status. I understand that any guest who becomes sick during their stay must immediately notify Honey Creek personnel. A plan will be developed for each instance of sickness according to the CDC and Georgia requirements.

I also understand that all people in my party must wear masks and maintain social distance when in any public areas, such as standing in line at the dining hall. Instructions will be given about outdoor activities such as swimming. Such activities are likely to require reservations to limit the number of guests in the area. Trails will be open and I understand that we must maintain social distance when hiking.

I understand that, because of the ongoing risks to others caused by the potential spread of the virus even by those who have been vaccinated, this is not a typical social stay at Honey Creek. Therefore I may not have ANYONE in my cottage or lodge room except those who are part of my household. No outside guests without accommodation will be allowed in the dorm, cottage or lodge areas. Guests in dorms, cottages, or lodge rooms which are adjacent are encouraged to be creative in their interactions with other cottage or lodge guests to arrange activities at a distance.

Children are the responsibility of parents and may not interact with other children without social distancing. Under no circumstances will children from one cottage or lodge room be allowed to play inside another dorm, cottage, or lodge room.

I understand that as a guest of Honey Creek, it is my/our responsibility to help keep our fellow guests and Honey Creek staff safe. I/we will review the covenant with all in my party and follow it. I realize that my stay may be cut short without refund if I refuse to follow this covenant.
